

ISO 14001:2015 Environmental Policy

At Ellsworth Adhesives we are fully committed to the continuous improvement of our environmental performance, with constant review to provide an effective and controlled Environmental Management System. This policy is applicable to all departments in Ellsworth and has been implicated to meet the necessary requirements of the ISO 14001:2015 Standard. It is our policy to:

- Reduce the production of waste and encourage wherever possible it's recycling (paper, ink cartridges etc).
- To always comply with relevant legislation and codes of practise.
- Minimise the environmental impact for the lifecycle (including disposal) of all materials, equipment and other physical assets.
- Prevent pollution.
- Management of the safe and effective disposal of waste materials. (This in the main relates to office computer equipment and hazardous waste through approved agencies)
- Ellsworth Adhesives will promote its objectives and will respond positively to enquiries and suggestions from both inside and outside the company.

MONITORING OUR PROGRESS

Environmental Objectives are set at the Annual Management Review. We will employ where necessary specialists to assist with environmental matters to ensure that we adhere to our policy.

WORKING IN PARTNERSHIP

We are committed to consulting with local and national authorities to ensure that we comply with all legal and other requirements concerning our environmental aspects.
